

## Intervention: Child Development Project (CDP)

Finding: Recommended by a single governmental entity

### Potential partners to undertake the intervention:

- |   |  |
|---|--|
| <input type="checkbox"/> Nonprofits or local coalitions                   | <input type="checkbox"/> Businesses or labor organizations |
| <input checked="" type="checkbox"/> Schools or universities               | <input type="checkbox"/> Media                             |
| <input type="checkbox"/> Health care providers                            | <input type="checkbox"/> Local public health departments   |
| <input type="checkbox"/> State public health departments                  | <input type="checkbox"/> Policymakers                      |
| <input type="checkbox"/> Hospitals, clinics or managed care organizations | <input type="checkbox"/> Other:                            |

### Background on the intervention:

The Child Development Project (CDP) is a multifaceted, school-wide improvement program that helps elementary schools become "caring communities of learners" for their students (5 to 12 years old).

### Findings from the systematic reviews:

The Substance Abuse and Mental Health Services Administration (SAMHSA) recommends CDP as a model program. See the link below for additional information.
